A Madras Government Press Com-

June, 1916, states:—Information hav-
ing been received by the Government to
the effect that recruitment of labourers for
Assam is being carried on in the southern
and western districts of this Presidency
and such recruitment being subject to
no control and being liable to give rise to
abuses, the Government have resolved, with
the sanction of the Government of India,
to put a stop to such recruitment al-
together and to limit recruitment of
labour for Assam to the six northern dis-

is under control. A notification is accord-
ingly issuing prohibiting such recruitment
in all other parts of the Presidency with
effect from 1st August next and directing all
District Magistrates to make this prohibi-
tion widely known and to take steps to see
that infringements of it are promptly dealt
